**Non-flammable cleaning agent for electronic equipment**

## AIRSEC MULTIPOSITION NEW

**Dries, blows and dusts**

### FEATURES:

<b>Compressed pure gas</b>	Cleaning agent consisting of compressed pure gas to prevent malfunctions, defects and damage caused by microscopic dust particles in electronic equipment.
<b>Easy to use</b>	The aerosol can be used both upright and upside down. For precision work use the extension tube that comes with every can.
<b>Moisture-free</b>	Contains no moisture and therefore does not conduct electricity. Has no corrosive effect.
<b>Quick action</b>	Works fast and replaces cumbersome and expensive cleaning methods with compressed air.
<b>No residues</b>	Does not leave any residues on the surface.
<b>Non flammable gas</b>	Safe for every application.

### APPLICATIONS:

Computers, Magnetic tape readers, cameras, keyboards, timers, optical instruments, Precision instruments, laboratory equipment, communication equipment and other electrical or electronic equipment.

### SPECIFICATIONS:

Form ..... Compressed pure gas  
 Contents ..... 252 ml  
 Weight ..... 300 g  
 Propellant..... Non-flammable

### INSTRUCTIONS FOR USE:

Can be used upright or upside down. Spray on the surface to blow and remove dust. Use the extension tube for precision work and hard to reach places. NEVER SHAKE THE AEROSOL DURING USE.

### PRECAUTIONS FOR USE:

Avoid direct contact with the skin. Beware of static electricity damage when disassembling equipment with sensitive chips. For further information consult our product safety sheet (SDS).

*All information in this document is based on our practical experience and/or laboratory tests. Due to the multiplicity of conditions for usage and variable human factors, we recommend that you always test our products for suitability prior to use. At any time, this version of the product specification report may have been revised based on legislation, availability of the individual ingredients or newly acquired information. The current approved version is available upon request.*
